January Meeting

January 9th meeting signaled the beginning of a new year for the chamber.

Installation of officers for the new year was first on the agenda. Conrad Koppenhafer will retain his position as President for a second term. Marie Taylor will continue as Vice President, Carol McKay, as secretary, both serving a third term, Lorri Harrison will be the new treasurer, taking the place of Jane Dudley who served 2 terms. Many thanks to Jane for a job well done, and welcome Lorri.

The coming year will again have many challenges for the chamber.

We continue to address the issues arising from the proposed by-pass of Highway 97 and its' effects on the City of Dorris. A member or members of the chamber will be attending Cal-Trans meetings and work shops pertaining to this vital issue to our community.

The chamber auction which comes up in

June is always a fun but time consuming event that requires a lot of work. This event is the chambers main money raising event of the year, thus making it very important to have the help and support of chamber members.

In July we hope to continue participating in the cities 4th of July celebration, thus far it has been a fun filled day for the young and old.

The chamber will also be putting on its' second Art in the Park in August (date to be announced) at the city park. Please keep in mind that if you, a friend, relative or acquaintance, would like to be a part of this event please contact Conrad Koppenhafer @ 397-3711 or Marie Taylor @ 397-2553 so that you can reserve a spot. Best of all **it's FREE it's FUN** and it's the perfect opportunity to display your art work or crafts.

Above are just a few of the things that the chamber will be involved in over the course of the coming year.

Working Together Is what makes it work!!!

Help Wanted-Help Needed

As a member of the chamber your help and participation is greatly needed. Anyone wishing to participate, no matter how menial the task may seem, your assistance will be greatly appreciated. We realize the pay is lousy (like none) and sometimes the tasks difficult, but keep in mind this is for YOUR COMMUNITY. We strive to do a

good **job** for the community but once again I must stress that without input from the business community as to your specific needs it is difficult to know how to direct our efforts. So please attend our meetings on the 2nd Thursday of each month or send a representative to address any issues that are of importance to you or the community.
